

## VICTORIA GENNEM SKOVEN

Ude af sig selv  
løber Victoria  
gennem skoven  
men der er ikke andre  
der ved hvad  
der i virkeligheden  
er sket for Victoria

Victoria løber  
ude af sig selv  
og hun ved ikke  
hvad der i virkeligheden  
er sket

men der er ikke mange  
andre  
der ved hvad  
der i virkeligheden  
er sket for Victoria

ude af sig selv  
løber Victoria  
i virkeligheden  
men der er ikke  
mange andre

og ude af sig selv  
løber Victoria  
gennem skoven  
men der er i virkeligheden  
sket  
mange andre  
der i virkeligheden  
er sket for Victoria

## VICTORIA THROUGH THE FOREST

*Out of her mind  
running  
through the forest  
but there are no others  
who know what  
in reality has happened  
for Victoria*

*Victoria running  
out of her mind  
and she does not know  
what in reality  
has happened*

*but there are not many  
others  
who know what  
in reality  
has happened for Victoria*

*out of her mind  
running Victoria  
in reality  
but there are not  
many others*

*and out of her mind  
running Victoria  
through the forest  
but there has in reality  
happened  
many others  
that in reality  
has happened for Victoria*

*og der er Victoria  
der er mange andre  
der ved hvad  
der i virkeligheden  
er sket for Victoria*

*og der er skoven  
men der er ikke mange  
der ved hvad*

*der er skoven  
der er  
ude af sig selv  
der ved hvad  
der er*

*Victoria  
gennem skoven  
mange andre  
der ved hvad*

*der i virkeligheden  
men der er mange andre*

*gennem skoven*

*ude af sig selv*

*der ved hvad.*

*and there is Victoria  
there are many others  
who know what  
in reality  
has happened for Victoria*

*and there is the forest  
but there are not many  
who know what*

*is the forest  
there is  
out of her mind  
who know what  
there is*

*Victoria  
through the forest  
many others  
who know what*

*in reality  
but there are many others*

*through the forest*

*out of their minds*

*who know what.*
